

Kris Leombruni, 2022

Victorian and Australian wines are always listed at the top of each section, followed by the rest of the New World wine countries and then the Old World wine countries.

We have both 'Classically' made and 'Naturally' made wines and we love them equally - but in case you don't we indicate after each wine if it is 'Natural' by a (N).

Our Riesling section is listed with the dryness/sweetness levels after each wine.

We love seeing delicious wine being drunk with joy, shared with friends or savoured solo!

Cheers to you x

CORAVIN WINES BY THE GLASS

CORAVIN WHITE

2021 Mammoth 'Lugard' Morn. Peninsula, VIC 28

A Mammoth personality who makes unapologetically distinctive and delicious wine.

Michael Glover long held the reins at the famous Bannockburn in Geelong. Mammoth is his personal project with no holds barred... Extremely low yielding vines and 2 years in barrel gives this wine unrivalled power, richness and texture.

CORAVIN SKIN CONTACT / ORANGE

2021 COS 'Pithos Bianco' / Grecanico (N) Sicily, Italy 30

Amphora Fermented, wild and free. The Pithos Bianco is underpinned by a salinity and minerality that can only be achieved on the Island of Sicily. COS are THE cult Natural Wine icons that put Sicilia back on the map way before it was cool ;)
