

Kris Leombruni, 2022

For the bottle listings, Victorian and Australian wines are always listed at the top of each section, followed by the rest of the New World wine countries and then the Old World wine countries.

Our Riesling section is listed with the dryness/sweetness levels after each wine.

Where we can, we support wines that come from organic or biodynamic farming.

We love seeing delicious wine being drunk with joy, shared with friends or savoured solo!

Cheers to you x

CORAVIN WINES BY THE GLASS

CORAVIN WHITE

125ml

2015 Valdespino 'La Especial' Manzanilla, En Rama / Palomino Jerez, Spain 25

Only 7 Barrels are selected for this wine with a total of 2300 bottles produced. The wine is drawn straight from barrel (En Rama) without filtration, blending or fortification. Briny, salty, floral, baked pastry. Like bright sunshine bouncing off the Atlantic Ocean. A snapshot of a deep tradition that was, and is once again globally revered.

CORAVIN WHITE

2021 Andre Perret / Marsanne Northern Rhone, FRA 30

An opulent and richly textured wine from one of the greatest living Condrieu wine makers. If big, rich Chardonnays are your thing this wine will put little shorts on them and send them back to school! A master of his craft who works biodynamically in the vineyard.

CORAVIN RED

2019 Avani 'The Earth' / Syrah M. Peninsula, Victoria 30

A singular and unique expression of this grape variety in a country that is famous for it. Biodynamically farmed single vineyard Syrah with power, spice, focus and aromas that are transformative.
